TYNE TEES BRANCH

Supporting Sea Cadets in the North East
Charity Number 313013

MSSC Tyne Tees Branch

The Branch exists to support the 18 Sea Cadet Units in the Tyne Tees region. It aims to develop additional resources for the management and operation of these and to help with funding for projects, which benefit cadets throughout the region.

The Sea Cadet Units

Whilst the Royal Navy provides valuable help with equipment and training costs, the Sea Cadet Corps is not part of the Reserve Forces establishment. It is a community based uniformed organisation operating under the governance of the Marine Society & Sea Cadets. Each Sea Cadet Unit is a registered charity and has a Management Committee which has to find and maintain its own Headquarters and meet other running costs

The Unit staff and the teams that support them are all volunteers and our young people depend on their steady support to enable them to reach their full potential. The staff provide valuable role models for our young people especially those from single parent families.

Your Support

You can help our work by becoming a Branch Member.

The Units also need volunteers with a range of skills from those who want to help train the cadets to those who can apply their business skills to help run the Management Teams. If you would like to help your local Unit please let us know at enquiries@mssc-tynetees.org.uk.

Branch Membership

By becoming a Branch Member your subscription (plus any tax reclaimed under Gift Aid) will be used to support the work of the Branch. You and your guests will be invited to attend Branch functions.

The entry level membership of £4 per month will also enrol you as a national member of the Marine Society and Sea Cadets. As such you will receive the 'Seafarer' magazine and be able to attend and vote at the Annual Court.

If you are able to donate a higher amount to support our work that will be very welcome.
